Key Features

- TIG Pulse AC/DC with digital control
- Program memory storage
- Peak current control, 2T/4T
- Pre-post flow time, up/down slope
- Pulse adjustment
- Pulse frequency, pulse duty, arc force, clean width
- Remote control interface
- AC function for aluminium and aluminium alloys
- DC TIG function for carbon steel, copper and non-ferrous metals
- Smooth arc and stable welding performance

Package Includes

Inverter power source, TIG torch & adaptor, Gas regulator, Earth return lead, Operating instructions, 5 year warranty*

* 5 year warranty subject to product registration
